PARKING LOT REMINDERS!!!

- You cannot stop in front of the doors and wait for your child to come out of the building. If they are not there to pick up right away, please make the circle and come back... Or park your car and wait. It blocks up the parking lot and causes problems.
- We have been having a problem with people parking in the handicap parking when you are not legal to do so. We do have parents that are in true need of this service. Please obey the law and park in other parking stalls and be respectful to those who are in need of it. Thank you!

December Schedule

Classes will be held regularly throughout December.
